

UCF Youth Protection Program Supervision Ratios

Below are the minimal ratios of adults to children from the American Camp Association:

Ages 4-5	Day: 1 adult per 6 children	Ages 6-8	Day: 1 adult per 8 children	Ages 9-14	Day: 1 adult per 10 children	Ages 15-17	Day: 1 adult per 12 children
Overnight: 1 adult per 5 children		Overnight: 1 adult per 6 children		Overnight: 1 adult per 8 children		Overnight: 1 adult per 10 children	

At UCF we strongly recommend stricter ratios of adults to children and do not allow children under the age of 10 to reside overnight.
