

# UCF Youth Protection Program Supervision Ratios

Below are the minimal ratios of adults to children from the American Camp Association and UCF's Conference Housing:

|                                                             |                                          |                                                             |                                          |                                                |                                           |                                                |                                           |
|-------------------------------------------------------------|------------------------------------------|-------------------------------------------------------------|------------------------------------------|------------------------------------------------|-------------------------------------------|------------------------------------------------|-------------------------------------------|
| <b>Ages<br/>4-5</b>                                         | <b>Day:</b><br>1 adult per<br>6 children | <b>Ages<br/>6-8</b>                                         | <b>Day:</b><br>1 adult per<br>8 children | <b>Ages<br/>9-14</b>                           | <b>Day:</b><br>1 adult per<br>10 children | <b>Ages<br/>15-17</b>                          | <b>Day:</b><br>1 adult per<br>12 children |
| <del><b>Overnight:</b><br/>1 adult per<br/>5 children</del> |                                          | <del><b>Overnight:</b><br/>1 adult per<br/>6 children</del> |                                          | <b>Overnight:</b><br>1 adult per<br>8 children |                                           | <b>Overnight:</b><br>1 adult per<br>8 children |                                           |

**At UCF we strongly recommend stricter ratios of adults to children and do not allow children under the age of 10 to reside overnight.**
